Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Visible Ink Press, United States, 2005. Paperback. Book Condition: New. 180 x 138 mm. Language: English . Brand New Book. Who knew that doomsday would be so hot? Environmental disasters, Ebola outbreaks, the popularity of reality television, and strife in the Middle East, may all be signs that time has come today. Weak and ailing after the end of the Cold War and the financial spree of the nineties, the timeless notion that the end is near is once again exerting a powerful influence on pop culture, politics, religion, and Mel Gibson. Omens and prophecies, asteroids collisions and nuclear war, oil crises and global warming, fire or ice, bang or whimper, asteroid or alien, act of God or human folly, Armageddon Now: The End of the World A to Z is all over doomsday prophecies. From alpha to omega, it is packed with 200 entries and 100 illustrations. Satan, saints, survivalists, and evangelical preachers known for their views on Biblical prophecies receive their due. In the end, the end has never been so thoroughly covered as in Armageddon Now. It s the last word for the end user. So, don t be left behind. Save yourself by buying this book.
