

An Illustrated Guide to Veterinary Medical Terminology (Book Only)

By Janet Amundson Romich

Cengage Learning, Inc, United States, 2008. Paperback. Book Condition: New. 3rd. 274 x 216 mm. Language: English . Brand New Book. *An Illustrated Guide to Veterinary Medical Terminology, Third Edition* provides a visual approach to learning medical terms and understanding the basics of veterinary medicine. A systematic process of breaking down medical terms into their component parts allows readers to comprehend the root medical concepts and apply critical thinking skills when faced with new and unfamiliar medical terminology. Chapters progress from basic terminology related to anatomical positioning to body systems, and then to species- specific terminology. Case studies exemplify how medical terminology would be experienced in an actual veterinary practice.
