Brand New Book ***** Print on Demand *****.Excerpt from The Recluse, or Old Briitsh Officer and His Faithful Servant: An Interesting Tale for Youth I at length approached the mountains of Wales (says an eminent and intelligent pedestrian), which I had seen for some days past from a distance; but was not yet immersed among those precipitous cliffs which I afterwards saw. The region that I now traversed was diversified by many gentle indulations and beautiful swells, which gave a softened breadth of light and shade to the landscape, that was highly pleasing to me. Though these swells frequently interrupted the view this served only to shift the scene, by introducing another prospect in the space of a few minutes, that was totally different from the former, which kept the imagination continually at work, by anticipating what was to follow.
