Reviews

It in a single of my favorite publication. I have read and so i am sure that i will likely to study again once again down the road. I am delighted to let you know that this is basically the greatest publication we have read inside my own life and might be he best pdf for possibly.

(Maria Morar)

THE LEPIDOPTERIST

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Butterflies taste with their feet. Humans can taste poetry. This collection of poems focuses on the life of Philippa King, The Lepidopterist , who studies butterflies and moths, and also watches herself closely through the lens of her severe mental illness (schizoaffective disorder). These writings chart her painful journey through mania, depression, suicide attempts, and an involuntary stay in a psychiatric hospital with raw honesty and a dose of dark humour.
