Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 342 pages. Dimensions: 8.2in. x 4.6in. x 1.0in. Declan Donovan is a liar. Hes lying about what happened to his ex. Hes lying about the reason he knocked out his lead guitarist and best friend, and then kicked him out of the band. Hes lying about going to rehab--he doesnt even drink. And now hes lying about the way he feels about sweet, submissive Molly Ward. But even thats a lie--Molly isnt all that sweet, and Declan loves it. Hes gotten used to lying. It helps to hide the pain hes sworn never to share with anyone else. But Molly is on tour with Savage Heart for one reason only: get to the bottom of what happened the night the band broke up and then write a book that will bring them back from the dead. Shes determined to get through Declans lies and get to the truth of the man within, a truth she knows hides deep scars. Molly knows that if she wants a career that can support her and her sister, she needs to command respect. And shes determined to resist the physical need she feels whenever shes near Declan. Whenever she hears his voice. Whenever he says her name. Whenever he touches her. But Declan is the Dom that Molly has always fantasized about, and she wants nothing more than to explore her sexually submissive side--with him. Too bad hes exactly the kind of guy that will break her heart. Shes been on that rocker ride before, and she cant do it again. Not with whats at stake. Until she hears him sing. . .
