Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Microsoft Outlook 2016 comes as a part of the Office 2016 suite released to the public in 2015. The suite includes Microsoft PowerPoint, Excel and Word. The release took two forms; being first launched in the OS X software for the Office 365 users in July and the licensed version later in September of the same year. Microsoft has received impressive reviews regarding the enhanced speed and database performance now been experienced by users of the new Outlook. The improved performance from the modernized Exchange Web Services has resulted in efficient delivery of emails and minimized wait time during a search for last week s email or when attempting to access more current files. Accolades have also been issued for easy to identify and use features as well as the updated blue status bar for maintaining control of your device.
