Reviews

This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.

Guilford Publications, 2010. Softcover. Book Condition: New. Meeting a need for school-based practitioners, this book provides vital tools for improving the academic, behavioral, and social outcomes of students with high-functioning autism or Asperger syndrome. Research-based best practices are presented for conducting meaningful assessments; collaborating with teachers, students, and parents to prevent school difficulties and problem solve when they occur; and developing effective individualized education programs (IEPs). In a large-size format with lay-flat binding to facilitate photocopying, the book features a wealth of practical prevention and intervention strategies, illustrated with concrete examples. Over a dozen reproducibles include interview forms and observation sheets. "This indispensable book provides a vast array of resources. It gives school personnel the tools and evidence-based practices necessary to provide effective behavioral and academic support to students with HFA/AS. This book will be highly treasured by psychologists, behavior analysts, administrators, and teachers for the depth and breadth of its practical and effective strategies."?Don Kincaid, Ed.D., College of Behavioral and Community Sciences, University of South Florida "This comprehensive guide would complement the resource library of any school multidisciplinary team. The book provides evidence-based recommendations for providing appropriate services for students with HFA/AS. Highlights include specific teaching strategies across the primary subject areas, behavioral strategies that are easily adapted into any classroom, and recommendations for designing and implementing individualized education programs appropriate for each student's needs. This resource is well organized and accessible, making it user friendly for school teams."?Shannon Crozier, PhD, BCBA-D, and Heather Baltodano Van Ness, PhD, University of Nevada, Las Vegas Center for autism spectrum disorders "A very practical, user-friendly book. It contains a variety of useful reproducible materials to support your intervention work. Multimethod assessment and intervention strategies are grounded in an understanding of the needs, strengths, and potential obstacles to success that students with HFA/AS...
