Paperback. Book Condition: New. Not Signed; An expert account of potentially lifesaving combat information Over 300 easy-to-follow artworks and pullout lists With the aid of superb line artworks, the SAS and Elite Forces Guide: Unarmed Combat demonstrates to the reader how special forces soldiers are taught to excel in hand-to-hand fighting: how they maximise body weight, and the use of various strikes, throws, locks and constrictions to defeat opponents. It explains how different martial arts have been combined by military units to create hand-to-hand combat systems for defence against multiple assailants, for fighting on the ground, for dealing with edged and impact weapons, what works against attackers with firearms and - more importantly - what doesn't. With tips and techniques from unarmed combat experts, the book is divided into two main sections. The first covers the mental preparation needed to be ready to defend yourself. The second covers the physical techniques needed to defend yourself, and if necessary, strike back to temporarily incapacitate your attacker and escape. With more than 300 easy-to-follow artworks and handy pullout lists of key information, the SAS and Elite Forces Guide: Unarmed Combat is the definitive guide for anyone wanting to be ready for anything - it could save your life. book.
