RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 46 pages. OCLC Number: 53401376 Excerpt: . . . contractor to obtain access to SSI recipients financial data, the agency plans to use the information only to verify their financial resources. It does not plan to use the information to detect those who may be living and making financial transactions outside the United States for extended periods of time. Detecting residency violations in a cost-effective manner presents particularly difficult challenges. However, we believe that there are a number of opportunities that SSA can take advantage of, and accordingly, we are recommending that the Commissioner of Social Security direct the agency to make optimal use of existing tools while exploring new data sources to better detect potential residency violators. Social Security generally agreed with our recommendations, but also identified some challenges to their implementation. SSI provides financial assistance to people who are age 65 or older, blind Background or disabled, and who have limited income and resources. The program provides individuals with monthly cash payments to meet basic needs for food, clothing, and shelter. In 2002, about 6. 8 million recipients were paid about 35 billion in SSI benefits. Individuals may apply for SSI benefits at any of about 1, 300 SSA field offices. During the initial interview, SSA staff solicit information on applicants financial situation and the disability being claimed. Applicants are required to report any information that may affect their eligibility for benefits, such as income, resources, and their living arrangements (including current residence). Similarly, once individuals receive SSI benefits, they are required to report changes in their address or residence to SSA in a timely manner. The Social Security Act (Section 1614 (a) (1) (B) (i...)
